**Birmingham & District X/C League Division 2 - Race 1 - Senneleys Park -  
5th November 2005**

A great day for the Club! With our best result for many years we finished in second (equal) place in the opening league race at Senneleys Park. We also finished in second place in the B team competition.  
Well done to all 21 who turned out to run as well as the many supporters who were out in force around the course.  
A big thank you to those members involved in organising the event and marshalling the course with things running like clockwork as usual.
