Midlands Women T& F League Leamington August 13

After the first two matches of the season, the women's team was lying in equal 4th place with Gloucester and Leamington, so the pressure was on in the final match on 13th August to beat either of those teams to avoid relegation. So what did we do? Everyone who came (in the wind and rain, may I add) made every effort to fill in the missing events, even if they were injured or had never tried them before. What a team! And the result, I hear you ask - we came 3rd on the day, beating both Gloucester and Leamington and successfully avoiding relegation with ease! Well done everyone - I'm proud of you! Thanks also to the officials and supporters on the day - sorry the weather wasn't better, but at least the result confirmed that it was all worth the effort. A special well done to all those who managed personal best performances in such poor weather conditions!

Midland Womens League Div 4 May 28th

May the 28th saw the first of our three league meetings this year. With only 11 competing athletes across the three age groups, everyone made a huge effort, nearly everyone competing in the maximum number of events allowed and many competing in events for the first time ever. So we couldn't have done much better on the day...and the sun was shining too! Well done and thanks to everyone – athletes, officials, parents and supporters for your efforts!!

After the first points count, Birmingham Rowheath was in first place – and I'm not ashamed to admit that I was (pleasantly) shocked, given that we had about half of our potential team. Unfortunately, we couldn't hang on to that lead! We finished equal 5th out of the 7 teams, but we were as far ahead of 7th place as we were behind the winners. I'm confident that if we can get a bigger team out in the next two matches, we can really make an impression on the others (so those of you who didn't have a good excuse for not coming, feel free to feel guilty, and those of you who did have a good excuse, don't let it happen again!).

I've attached our team's results and the final points score – it's easy to see where our strengths and weaknesses are! Out of the 64 events, we only competed in 39. Of those we did contest, we averaged 3rd place – so that just shows that if we can fill those gaps, we should do better than equal 5th!

Well done and thanks again. The next two matches are on 2nd July and 13th August. Make sure they're in your diary...I'll be in touch! Karen

Midland Mens League Div 3 Yate June 3

Today saw the mens team travel south to Yate for the second fixture of the year. Summer had arrived and conditions were very good. A great team effort saw us finish 2nd team today.

Well done Sam and Ian for tackling a multitude of events. The only time I saw Sam sit down was to change his footwear for track or throws, and likewise Ian when he put his spikes on at the start and took them off again at the end.

Also an excellent and committed contribution from the younger members in Anthony, Dave H, Adam and Jake who all pushed themselves hard.

The oldies also held their own with Adrian, Steve H, Mike B and Richard Gray - who came out of Steeple Chase retirement to maximise our point haul. With Dave W and Richard P handling the heavy stuff in the throws, Rob producing PBs in both the 800 and 1500 and new boy Martin making an excellent debut with a very close second in the 3000m we were in good shape by the time the relays arrived. Those left standing got the baton around

safely. With full points gained by the Officials (as usual) we are now well placed in the league with promotion a distinct possibility.

Notable Quotes.

Midland Mens T&F League Division 3 Leamington May 6.

The first match of the new season took place on Saturday with Rowheath's men back in Division 3, following their promotion last year. The whole team performed excellently in finishing 4th out of the 8 teams competing. It was particularly pleasing to see such a strong team spirit with new team members competing successfully in the league for the first time, established team members competing in spite of injuries/ illness and athletes stepping in to cover events where needed. A couple of special mentions; firstly to all our officials who turned out and earned valuable points for us, as always, and also to Ian Emery who not only competed in 7 events but who also showed his usual grit and determination to clear a height in the Pole Vault, his first ever Pole Vault competition! Congratulations and well done to all those who took part!
